

TEE IT UP WITH THE BEACONS. The Annual Golf tournament is the Department of Athletics major annual fundraising event, and helps ensure our efforts to support our student-athletes and the youth from area neighborhoods and communities.

Intercollegiate athletics, intramurals/recreation for students, staff and faculty are the primary concerns of the Department of Athletics. UMass Boston teams compete in the ECAC, the Little East Conference and the ECAC East for ice hockey. Twenty-one Beacons in seven sports have achieved All-America status a total of ninety-four times.

The Department of Athletics also has the responsibility of providing service to the community. Whether it is complimentary use of the Clark Athletic Center's indoor and outdoor facilities, coaches' and student athletes' sport clinics for youth groups, or holiday visits to area hospitals, UMass Boston Athletics is in the forefront of serving communities around the state.

You can help the Department continue these efforts by participating in the 2008 Golf tournament. Thank you in advance for your anticipated support.
